CG's purpose is to provide an opportunity for women at BridgePoint and from the surrounding community to get connected with one another on an intimate level. Once a month, ladies gather in homes around the Houston area for fellowship, a shared devotion and stimulating discussion for growth in our Christian walk and to develop deeper friendships... and of course, coffee! The format is casual and informative, with an emphasis on relationship development. Ladies of all ages are invited to attend.

"And let us consider how we may spur one another on to good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another – and all the more as you see the Day approaching"
~ Hebrews 10:24-25
