CG's purpose is to provide an opportunity for women at BridgePoint and from the surrounding community to get connected with one another on an intimate level. Once a month, ladies gather in homes around the Houston area for fellowship, a shared devotion and stimulating discussion

for growth in our Christian walk and to develop deeper friendships... and of course, coffee! The format is casual and informative, with an emphasis on relationship development. Ladies of all ages are invited to attend.

*"And let us consider how to stimulate one another to love and good deeds, not forsaking our own assembling together, as is the habit of some, but encouraging one another; and all the more as you see the day drawing near."
~ Hebrews 10:24-25 (NASB)*
