

HOW I AM DRAWING CLOSE TO GOD

A LIMERICK BY SHARON HUGELE

*As I sit here on this day
I read the scripture and I pray
I wish I always could be holy
but cannot do it totally solely-
I often miss my quiet time
waking, rushing here and there-
no Scripture anywhere-
but then a mini-crisis appears
causing panic and some fears-
pronto I return to my prayers
open the Bible in a flare-
recite the Scriptures which apply-
crying out "O God, why, why?"
when will I learn to stop these habits
become aware of my tie to Christ
abiding in HIM to renew my life.*

Te amo, Jesus.
